TOOL'S SUMMARY

Tool/method name	Antimafia
Tool/method summary description (up to 30 words)	Confiscated assets are properties seized from the mafia by a court order when the value of the assets is disproportionate to the income declared to the state. To obtain a confiscated property, it is necessary to follow a procedure outlined by the anti- mafia code and 'Good Practices'. Social reuse is a prospect of territorial redemption and restitution to the community. Having these assets means exposing oneself to the risk of their return to organised crime. The assets seen were not only private but also public property.

Context

The territories seen are located between Casal di Principe and Casapesenna, places of origin of the Camorra. Crossing the 'Terra dei fuochi' we catapulted these people into our everyday life, showing the merits, faults and redemption of our territory.

Could it be used in other contexts? If yes, which ones?

in an area affected by mafia and/or illegal structural activities
